Hon'ble Chief Adviser
Our very distinguished Dr Mohammad Yunus

Subject : Simplifying the European visa process for Bangladeshis, by bringing it from Delhi to Dhaka.

We in Voice For Global Bangladeshis VfGB express our gratitude and thanks to Prof. Dr. Muhammad Yunus for taking the timely and much needed initiative on simplifying some Of the EU visa processes for Bangladeshi nationals in by bringing it closer to home, i.e., from Delhi to Dhaka.

Bangladeshi students in particular coming from a developing country which is still an LDC under the process of graduation, have been finding it politically difficult and economically unviable to secure indian visa and travel by air to Delhi for obtaining many of the EU visas including Ireland visa .

This change therefore, initiated by Dr Yunus would be a significant change in policy and a milestone, easing the journey for a huge number of Bangladeshis reflecting your Interim Government's commitment to serve not only the people of a new Bangladesh but also the near 1.5 million overseas Bangladeshis.

Your vision, dedication, and commitment to people of Bangladesh and that of the world continue to inspire us all.

Thanking you for making such a meaningful and dignified difference in our lives.

Yours sincerely,

Dr. Hasanat M. Husain MBE
